

IEEE Switchgear Committee
Switchgear Assemblies Subcommittee
C37.24 Solar Radiation Working Group
Meeting Minutes
Fall 2013

Attendees: Larry Farr and Dave Gohil

Past Meetings:

- We started collecting documents, swapping e-mails and making contacts with the National Climatic Center.

Current Meeting:

- No meeting was held in San Antonio, TX.

Future Meetings:

- We will have a rough draft by the Spring Meeting and form a working group to review. At that time we will request a PAR, make assignments and determine what work is required before going for ballot.
- Ballot planned for summer 2015
- Publish summer 2016.
